OSA-3235-63

19 JUN 1963

MEMORANDUM FOR: Chief, Operations, OSA

ATTENTION :  25X1A

SUBJECT : Reduction in Basic Allowance for  
Subsistence for Enlisted Crew Members  
Assigned to the Office of Special  
Activities

1. In accordance with change 33, AFM-177-105, 28 May 1963, commanders of Air Force units were directed to re-evaluate authorizations directing basic allowance for subsistence for enlisted personnel. The commander of the 1007th Air Intell Service Group has determined that members assigned to OSA's aircraft function at Andrews AFB, Md., will no longer be entitled to the BAS rate of \$2.57. This is effective immediately.

2. Since communication media is not available for delivery to subject crew members, it is requested that your office notify these men officially through your normal communication channels.
